

# CHILL

## SPORTS TOWEL

Keep cool in the heat with this great new Chill Cooling Towel.

When the towel is wet it keeps you up to 15 degrees cooler. Easy to use - simply wet, wring and snap. Great for a hot day at the beach, working on a mine site or cooling off after a gym session.

- ✓ Dries soft
- ✓ Chemical free
- ✓ 8 stock colours

Instructions on the back

### LL8370 Chill Sports Towel

- Place the towel around your neck or head and you're ready to stay cool. As long as the towel has moisture and airflow present, the cooling benefit will remain active.
- Easy to reactivate simply by re-wetting, wringing out and shaking. Dries soft and chemical free.
- Chill cooling towel is supplied in a storage pouch and the back is printed with instructions.
