

### LN4300 Aluminium Number Plate

- 0.5mm Aluminium number plate including up to 4 colour print with embossed design and border.
- Folded edges for rigidity, punched holes to order.
- Flat printing and embossing can be combined in same number plate design.
- Suitable for motor dealerships, car clubs, auto accessory shops, motor racing sponsorships, and resale in merchandising tents and vans at sporting events.

**Colours:** Custom.

**Minimum Quantity:** 500 units.

**Item Size:** 290 x 145 (LxH)mm.

**Emboss & Screen Print:** 290 x 145 (LxH)mm.

**Lead Times:** 4-5 weeks AIR if digital proof approved same day.

Please note: These are novelty number plates and cannot replace genuine number plates. We cannot produce alpha numeric combinations mimicking a genuine number plate.

We recommend an embossed border around number plate frames as embossing improves rigidity. All orders have embossed borders.
