### IMPORTANT

Stress relievers are made by hand and no two anti stress items are exactly the same shape or colour. Items may have been sprayed with a release agent in manufacturing, which means we cannot guarantee print fastness or ink density. Some White Stress items turn yellow after continued use. Anti Stress items are not toys and not suitable for children under 3 or pets. Due to the characteristics of stress item material (PU) adequate force may cause them to tear especially on shapes that have size variations like necks, arms, legs and ears. This is not a fault of the product and no claims will be considered. Stress items are meant to be squeezed not pulled. Always ensure your client sees a sample and reads this disclaimer.

Anti Stress items may vary from shipment to shipment.

### DIGITAL DIRECT:

This item is digitally printed in CMYK. If pantone colour matching is important we require you to provide specific PMS colours, and we will produce closest CMYK colour match possible (to CP equivalent of coated pantone colours - perfect colour match not guaranteed). Vector art is required for colour matching. We are unable to edit colours in rasterized images. Print colours may be altered in appearance if placed on a strong colour background.
