

# ARTWORK FOR APPROVAL

**IMPORTANT:** This drawing is for approximate print positional purposes only. It is not intended to be an exact scale or detailed representation of the product. Colour proofs are to be used as a guide only and not a true representation of true product or print colour. If item colours are important, order a sample from our current shipment.

**Order #**  
**Proof #1**  
**Date 00/00/00**

**Product Code** : LL0208  
**Description** : Arc Inductive Charger  
**Item Colour/s** : White  
**Quantity** :  
**Decoration Type** : Direct Digital + Standard Label  
**Print Colour**

**DIGITAL DIRECT:** This item is digitally printed in CMYK. If pantone colour matching is important we require you to provide specific PMS colours, and we will produce closest CMYK colour match possible (to CP equivalent of coated pantone colours - perfect colour match not guaranteed). Vector art is required for colour matching. We are unable to edit colours in rasterized images. Print colours may be altered in appearance if placed on a strong colour background.

**LABEL NOTE:**

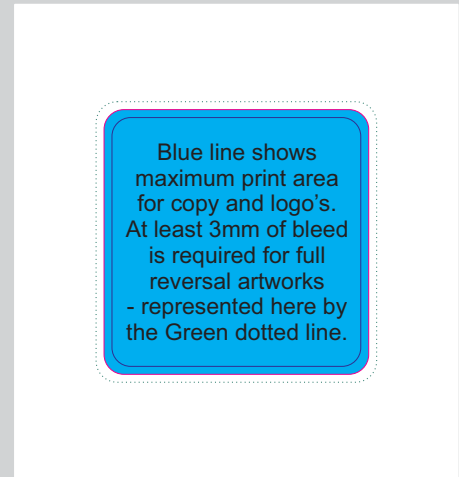

Labels are applied by hand and although the greatest care is taken label positioning cannot be guaranteed across the entire order. They are digitally printed in CMYK. If pantone colour matching is important we require you to provide specific PMS colours, and we will produce closest CMYK colour match possible (to CP equivalent of coated pantone colours - perfect colour match not guaranteed). Vector art is required for colour matching. We are unable to edit colours in rasterized images. Print colours may be altered in appearance if placed on a strong colour background. Design position cannot be guaranteed across the entire order, some movement does occur during printing

Pink line shows maximum print area. Blue line shows maximum print area for copy and logo's.

## White gift box supplied with a Standard Label

Below is approx 50%

Blue line shows maximum print area for copy and logo's. At least 3mm of bleed is required for full reversal artworks - represented here by the Green dotted line.

**USB END**

Charging indicator

Maximum print area: 68mm Diameter  
Actual print size:

**INTERNAL USE ONLY**
