**Product Code** : LL205  
**Description** : Aluminium Economy Pop Top Keytag  
**Item Colour/s** : Silver, Red, Gunmetal, Blue  
**Quantity** :  
**Decoration Type** : Digital Direct + Epoxy Dome Resin  
**Print Colour**

**DIGITAL DIRECT:** This item is digitally printed in CMYK.

If pantone colour matching is important we require you to provide specific PMS colours, and we will produce closest CMYK colour match possible (to CP equivalent of coated pantone colours - perfect colour match not guaranteed). Vector art is required for colour matching. We are unable to edit colours in rasterized images. Print colours may be altered in appearance if placed on a strong colour background.

**PRINT PERMANENCY**

Digital direct printing with epoxy doming is the most attractive print method. Epoxy doming improves the print life, however constant abrasion of keys may eventually remove the doming process. Laser engraving is the only method we guarantee the copy will stay for the life time of the item.
