Print Colour

DIGITAL DIRECT: This item is digitally printed in CMYK.

If pantone colour matching is important we require you to provide specific PMS colours, and we will produce closest CMYK colour match possible (to CP equivalent of coated pantone colours - perfect colour match not guaranteed). Vector art is required for colour matching. We are unable to edit colours in rasterized images. Print colours may be altered in appearance if placed on a strong colour background.

MULTICOLOUR PRINTS

4CP Digital direct prints are not guaranteed as a permanent decoration method as abrasive action may eventually wear away the print. Alternatively, multicolour pad/screen printing on polypropylene is usually expensive and not viable unless 1000 or more ordered. All multicolour pad/screen designs are to be submitted for printers acceptance and price.
