Labels are applied by hand and although the greatest care is taken label positioning cannot be guaranteed across the entire order. They are digitally printed in CMYK. If pantone colour matching is important we require you to provide specific PMS colours, and we will produce closest CMYK colour match possible (to CP equivalent of coated pantone colours - perfect colour match not guaranteed). Vector art is required for colour matching. We are unable to edit colours in rasterized images. Print colours may be altered in appearance if placed on a strong colour background. Design position cannot be guaranteed across the entire order, some movement does occur during printing

Packing is commenced upon receipt of order (NOT approval of artwork)
Orders cannot be cancelled or colour configurations altered otherwise additional charges will apply.

Jelly bean shades can vary between shipments. Request sample of latest shipment if colours are important. Confectionery is packed on various types of equipment, this can affect bags sizes. However weight is always 50 grams. If in doubt please request a sample.
