Print Colour

NUCOLOUR

On light coloured bags a slightly darker keyline may be noticeable on the finished decoration, due to the white layer underneath being slightly choked under the colour.

Cannot match to PMS, Metallic or Fluorescent colours.

JPG & TIFF FILES

All JPG & Tiff files must be at least 300 dpi at print size and saved in CMYK colour format.

BAMBOO VARIANCE

As bags are relatively low cost and fabric is hand woven, we cannot guarantee compatibility from one shipment to the next. Bamboo bag sizes are approximate and may vary.

Size and fabric variations are considered acceptable but if critical please as for a sample from our current shipment. Bamboo bags can have some minor folds or threads and printing over the folds or threads doesn't detract from the design and is considered acceptable.
