IMPORTANT

Due to the printing process design position cannot be guaranteed across the entire order, some movement does occur during printing and is considered acceptable.
Lines need to be a minimum of 0.75pt thickness to legible.
Letters need to be a minimum of 2mm tall to be legible.
Background colour of lanyard can affect legibility of fine lines & text.
Please ensure samples are sighted prior to production.

Please note: Laynards are printed in CMYK.
If pantone colour matching is important we require you to provide specific PMS colours, and we will produce closest CMYK colour match possible (perfect colour match not guaranteed). We are unable to edit colours in rasterized images.

Lanyards are supplied with a single metal clip as standard
